

How Do I Get My Church To Worship?

CMIWorship.com March 2011 Phone Seminar

Adam Diehl

Worship Culture

- A healthy worship culture is an _____ where all ages in the local church are able to genuinely express their worship to God.

_____ Worship Expression

- Worship Cannot Exist without an _____ *of some sort.*
- A genuine worship expression occurs when a believer transfers their passion for Christ inside their heart and turns it into some action appropriate for them (lifting hands, clapping, living a holy life).

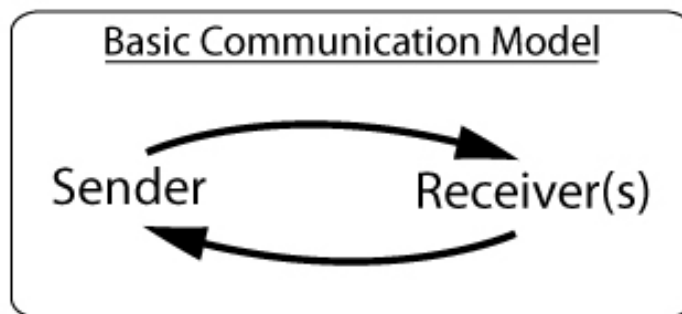

Question With _____: "How Do I Get My Church To _____?"

- *Maybe they're wired _____*: What you *mean* is, "How do I get my people to express themselves like I do?"
- *Maybe they're not truly _____*:
 - "If we are wondering why worship is cold in some of our churches, it is a possibility that our people are not born again ... We should not expect an unbeliever to worship God. ... they have no intrinsic capability for true worship."
– Kevin Navarro in *The Complete Worship Leader*

Taking _____ With Us

- Everyone on a worship team must be a “tour guide” rather than a “travel agent”
 - We must _____ our “destination” before leading others
 - We must be _____ (are you actually interested in this?)
 - We must _____ them along

- Don’t leave everyone behind; Pay attention to _____

- For more information – see the blog titled “Battling Blank Stares and Congregational Apathy” on www.cmiworship.com

The wrong question: “How do I get my church to worship?”

The right question: “How do I facilitate the congregation’s expression of their emotion towards God?”
